

To Start the Game

- ◆ Boxes are placed 27 feet (9 yards) away from each other
- ◆ Play begins by choosing partners (4 players - 2 for each team)
- ◆ Choose who goes first (flip a coin, paper-rock-scissors, we don't care)
- ◆ Winner chooses to go first or chooses side (of board) to throw from
- ◆ Each player throws 4 bags per round switching after each throw
- ◆ Each player throws from their respective side of the board and cannot go past the front of the board (much like bowling)
- ◆ Winner of each round throws first next round (i.e. if team one gets 2 points, team one throws first in the next round. This continues until team two wins the round)
- ◆ The first team to 21 wins
- ◆ 12 - 0 is a skunk (GO HOME AND PRACTICE)

Scoring

- ◆ Each bag that lands on the playing surface is 1 point
- ◆ Each bag that lands in the "cornhole" is 3 points (NOTE: yell "CORN" when you throw one in the hole - adds to the excitement)
- ◆ Points cancel out (i.e. if team one has three bags on the board and team two has one bag on the board then team one nets 2 points)
- ◆ Winner score for the round goes first next round.

It's fun for the whole family!
